Please arrive in time to set up and for the doors to be opened for 12 noon.

On most cases I have only put one person on duty however following a slight incident and for Health and Safety purpose. If you are on your own when opening the main door at 12 noon you should **not** open the St Mary's door and wait in vestibule until someone you know arrives.

Can you please bring a pint of milk and I will be happy to reimburse anyone.
Tea coffee and biscuits are all in the cupboard below the cutlery drawer.

Any questions please speak to Alison 647 4415 or mobile 07774 907972

Many thanks for your co-operation .It is very much appreciated.
